

smartmi 智米

Smartmi DC inverted frequency floor Fan

Simulated natural wind | Quiet | movable | smart control

Smartmi sterilization humidifier

UVGI ultraviolet sterilization | water upper inject | smart | healthy humidifying

FULL DC inverted frequency air-conditioner

1.5HP

top level energy efficiency | instant effect | smart control | craftsmanship

Smartmi smart toilet seat cover

instant heated water with comfort and hygiene

instant flowing water heating | comfortable wash/woman wash | external

PP cotton filter | sprayer dual self-cleaning

Smartmi pure humidifier

no white powder, no white smoke, natural humidifying

240ml/h*high efficiency| evaporative humidifying without white powder|
convenient upper water injection | 4L high capacity water tank

Smartmi vehicle power inverter

exploring with portable power

12V to 220V | USB quick charging | versatile AC power jack | 6 layer protection

Smartmi electric heater

connective heating without waiting for long

connective heating | plug on heating | quiet | dual
protection

A man with dark hair is wearing a black, rectangular respirator mask with a circular filter on the side. He is holding a book with a black and white photograph of a woman on the cover. He is wearing a brown sweater over a pink collared shirt. The background is a light, textured wall.

Smartmi anti-smog respirator mask 3 per package

more than just being cool

PM2.5 filter efficiency 97% | 360° skin-friendly sealing | 3D framework |
TPU elastic membrane with comfort

Xiaomi air purifier 2

new air boost system | up to 310m³/h | efficient 360° barrel type filter element
low noise, low power consumption | smart cellphone control

Xiaomi air purifier Pro

OLED screen | laser particle sensor | 500m³/h particle CADR | suit for 60m²

Xiaomi air purifier 2S

upgrading version from 2

OLED screen | laser particle sensor | 310m³/h particle CADR| 360° inlet with 3 layer filtering

Xiaomi air purifier MAX

professional home air purifier

1000m³/h MAX particle CADR | suit for 120 m² | 34dB(A) advanced
Quiet Technology

Mijia PM2.5 Detector

high-precision laser sensor | OLED screen | smart link | com

Mijia air purifier filter element

Xiaomi air purifier | Xiaomi air purifier 2 | Xiaomi air purifier Pro

3 layer filtering suspended matter| can absorb particles | filter formaldehyde and peculiar smell

air purifier filter element

enhanced formaldehyde degradation version

resist bacteria | filter PM2.5 | degradation of formaldehyde

Mijia air purifier filter element

anti-bacteria version

anti-bacteria rate 99% | filter PM2.5 | fine particles| active carbon to
absorb formaldehyde
